- **Accepted-** The application will be accepted with standard deposits and fees.
  - **Accepted with conditions-** The Application may be accepted with a qualified co-signer. \*
- \* Please note: Co-signer's application must pass credit check and meet the same income requirements.

- **Declined** - Hekemian & Co., Inc. does not accept co-signers when “declined” is the result of **unsatisfactory credit or background check**. However, if the Application when “declined” has no credit established in the United States or an applicant does not meet our income requirements a co-signer will be required.

We do not discuss individual credit reports with applicants. You will be provided with the name, address and phone number of the consumer-reporting agency we used, and you must contact them directly if you choose to dispute anything they reported to us about your credit.

It is important to note that just because you are given an application for an apartment, it does not mean a particular apartment is being "held" for you. Apartments are rented to the first person that submits all of the following: completed application with application fee, completed co-signer application if necessary & deposit.

For this reason, it is important that every applicant, who is seriously interested in an apartment, return these necessary documents to the Resident Manager as soon as possible so the Rental Department can run all verifications and checks to fulfill Company criteria.
